

## **Service Manager - Electrical Contractor**

Bonner Electric, Inc. - Uncasville, CT

Are you a friendly, experienced commercial/industrial electrician? Then come grow our service department!

Would you like to run a commercial service department for an established commercial/industrial electrical contracting company (38 years) with a great reputation in a safe, family-friendly community?

Want to work for an open-minded boss who rewards employees who take responsibility, think for themselves, and make things work better?

Well, maybe you're our next Service Manager!

We are a family-run business with a steady and growing customer base. We treat our people great and will provide you a fair salary to do a fun and rewarding job.

If you're looking to work for a company like ours, and you have the required experience below, you are encouraged to apply.

Job Responsibilities Include:

- Receive new service inquiries from our Receptionist
- Decide whether new service inquiries require an estimate
- Perform basic commercial electrical service estimates when needed
- Manage dispatching and scheduling of service work
- Ensure quality, promptness, and profitability of service work performed

Required Experience Includes:

- Journeyman electrician's license or equivalent
- At least 5 years' field experience, with at least 3 years commercial or industrial
- Commercial or industrial electrical estimating experience (at least 2 years)
- Great with people - you must LIKE working with commercial customers - and you must be able to provide past customer references

We are looking for a top performer who fits our friendly, family business culture. We will not accept just anybody, so even if you're not in Southeastern Connecticut right now, we will consider a relocation package for the right person.

If you think you might want to be our next Service Manager, and have the required experience above, you should email a resume to [careers@bonnerelectric.com](mailto:careers@bonnerelectric.com), or apply in person at Bonner Electric, Inc., 1865 Norwich New London Turnpike, Uncasville, CT 06382.
